HALLIDAY'S WINE COMPANION 2017

*"..the palate explodes with active but chalky tannins, balanced by sweet fruit.."*

**Wine Matrix**

**COPPABELLA**  
OF TUMBARUMBA

## Coppabella of Tumbarumba Procella IV Pinot Noir 2018

**Varieties:** Pinot Noir

**Region:** Tumbarumba NSW

**Winemaking notes:** A blend of three great Pinot Noir clones: 777, MV6 and D5V12, sourced from varying elevations and aspects on the vineyard. The fruit was hand picked and a portion was fermented on indigenous yeast with some whole bunches included in the ferment. Matured for 12 months in French Barriques.

**Tasting notes**

**Colour:** Ruby red with a garnet hue

**Nose:** Lifted and perfumed red fruits with floral violet notes.

**Palate:** The palate is bright and generous with strawberry and maraschino cherry, gamey notes and Asian spices. A wonderfully textural wine with silky, polished tannins on the long finish.

**Comments:** The closest climate parallels to Tumbarumba in the Southern Hemisphere are Central Otago and Tasmania; two re-known new world Pinot Noir regions. With appropriate clonal selection, Tumbarumba too can produce great Pinot Noir.

**Alcohol:** 13%
