

# COPPABELLA

OF TUMBARUMBA

“..Powerful citrus fruits, balanced by soft vanillin oak and citrus acid all in perfect harmony. ..” Wine Matrix

**95**  
Points

## Coppabella of Tumbarumba The Sirius Chardonnay 2018

<b>Varieties:</b>	Chardonnay
<b>Region:</b>	Tumbarumba NSW
<b>Viticulture:</b>	The grapes are sourced from our prized Block T20, planted at 650m to V1 clone in 1993.
<b>Winemaking:</b>	Chilled grapes are whole bunch pressed straight to barrel for fermentation. The solids are kept with the free run juice for added complexity.
<b>Awards:</b>	<b>95pts – Sam Kim, Wine Orbit</b> <b>94pts – Stephen Read, Wine Matrix</b>
<b>Reviews:</b>	<i>“..elegant and beautifully poised.. concentrated and persistent with excellent depth and presence.. impressively long, expansive finish. Superbly structured for a graceful development. At it best: 2021 to 2028” Sam Kim, Wine Orbit</i>
<b>Tasting notes</b>	
<b>Colour:</b>	Pale straw with green flecks
<b>Nose:</b>	A bright clean nose of green apple, stone fruits and subtle flinty notes.
<b>Palate:</b>	A luxurious palate that has perfect tension thanks to a core of high natural acid. The palate unfolds white nectarine, lemon and green apple fruits. Complimented by vanillin oak and flinty complexity.
<b>Comments:</b>	Sirius is Coppabella’s flagship wine. Grown in the foothills of the Snowy Mountains; climatically, Tumbarumba shares more parallels with Burgundy than other Australian wine regions.
